

DIRECTIONS to Wayne's Office

GREENVILLE, SC (GSP AIRPT) & CHARLOTTE, NC

Take I-85 out of Charlotte towards Greenville, SC. If you are getting on I-85 at GSP, you'll be at the 57 mile marker – Head South to through Greenville heading towards Atlanta and follow the directions to exit 40 - Highway 153 North at Powdersville - 17 miles from Exit 57 on I-85. DO NOT STOP AT THE TOP OF THE RAMP – a lane forms on 153 to accommodate the off ramp traffic. If you stop, drivers behind you will plow into you.

Continue on Hwy. 153 approximately 6 + miles until it ends at US 123. Go over 123 and the ramp will swing 270 degrees to the right and bring you onto 123 SOUTH towards Easley.

Stay on 123 through Easley and then about 20 miles to Clemson.

Go through Clemson and go over the bridge (Seneca River - actually Lake Hartwell)

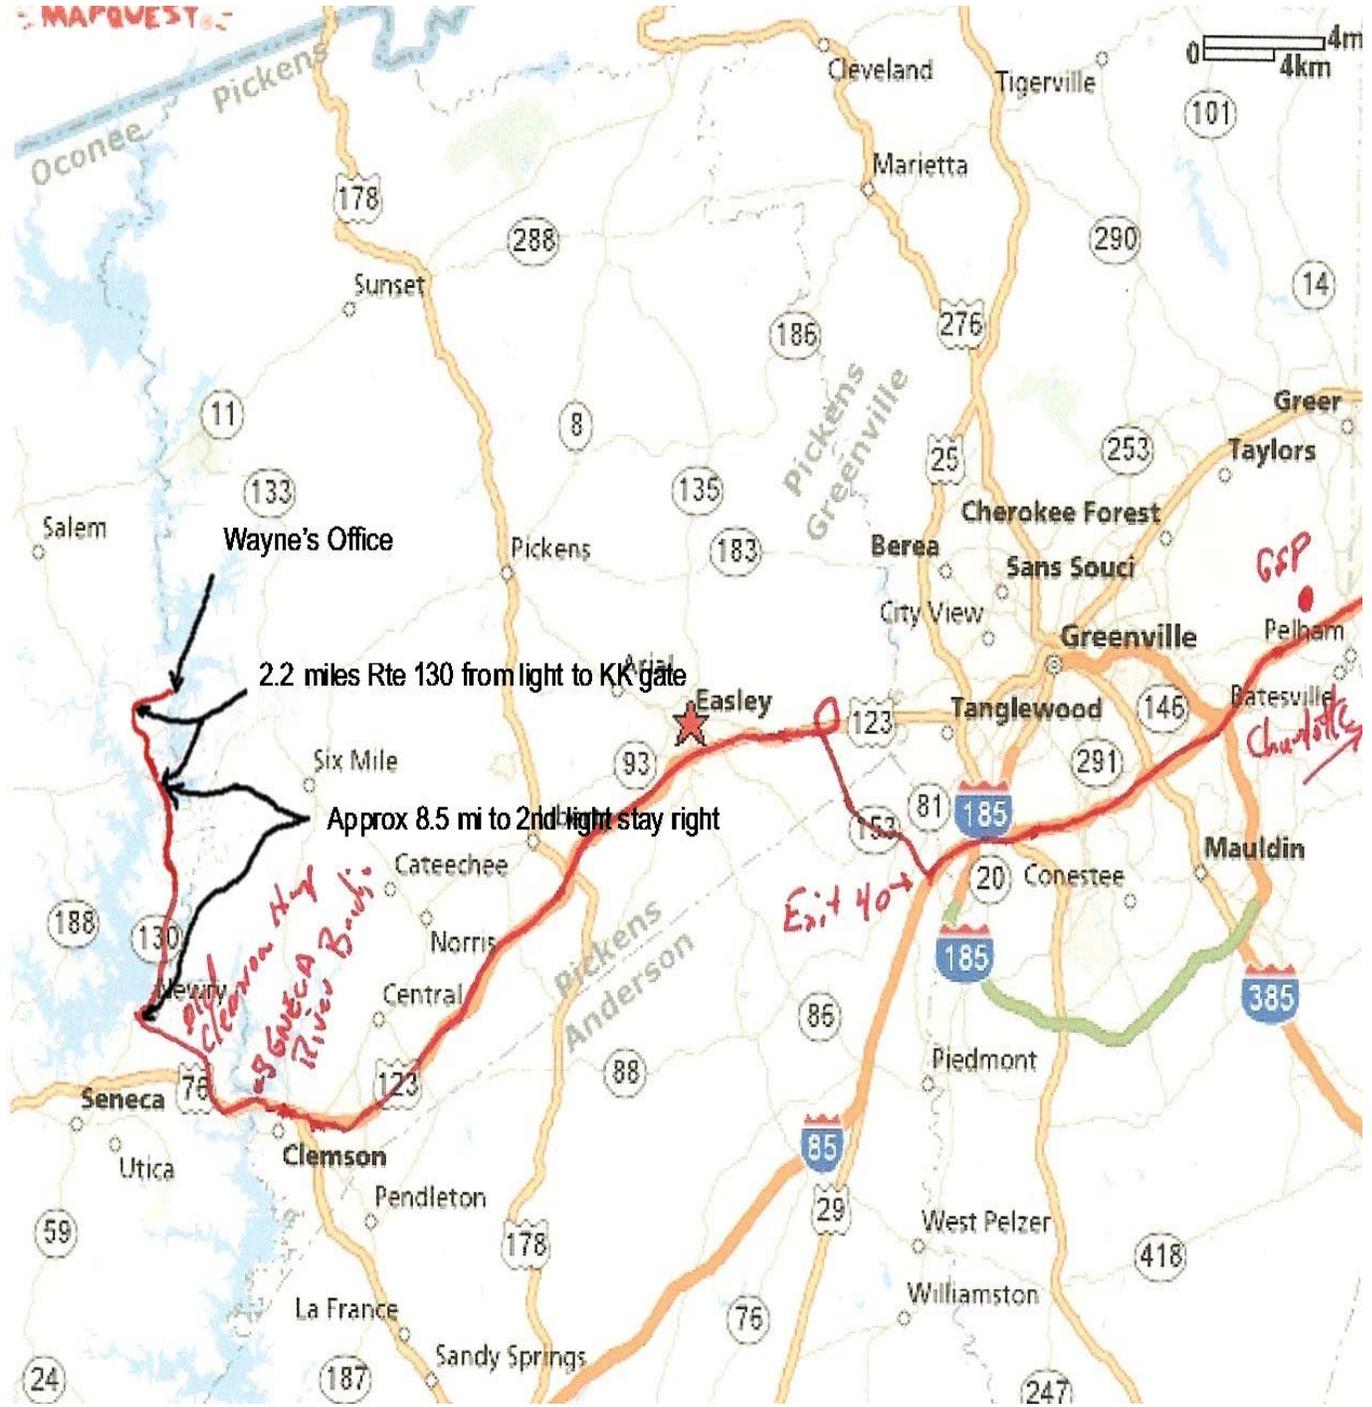

At the second light after the bridge, TURN RIGHT (7-11 Gas station on corner)

Follow that road (unmarked, but it is Old Clemson Highway.) until it ends at route 130 (approximately 3.7 miles).

Turn right to stay on Route 130 at light and follow it approximately 8.5 miles to the Third light. There will be a Wells Fargo bank on your left just before the third light.

Turn right at that light to stay on 130 (183 goes straight ahead), and continue 2.2 miles past the Subway, Citgo and Mini Market. You'll see the golf course on your left. You'll then go through two "S" curves and come out to the Keowee Key gates. Turn RIGHT to the guard building (North Flagship Drive). I'll have you cleared through - they'll want your name, my name and 3 Horizon Pointe Lane. Go 0.5 miles down the hill to the THIRD right - I have a rust colored mailbox on the street. Horizon Pointe looks like a driveway. Go straight ahead into my driveway - dark gray house with red windows. Please park all the way on the right.

Have a SAFE TRIP

2.2 miles Rte 130 from light to KK gate

Approx 8.5 mi to 2nd light stay right

*Clemson Hwy
